

## 2 Berth Automatic Alpha Campervan -Automatic Transmission

One of our most popular 2 berths will join the Alpha Campervans fleet from 01 November 2011 - the Alpha 2 berth Automatic motor home, built on a Mercedes-Benz is the perfect small vehicle choice for two adults.

Internal access between the driver's cab and the rear living area, shower and toilet, refrigerator with freezer, microwave, excellent kitchen facilities and a filtered water system are just some of the features. A modern look and carpeted floors create a warm living environment and the sleeping area can be converted to one large double bed or two singles
